

FOR IMMEDIATE RELEASE

# Work begins on a full interior remodel of the Walleye Inn

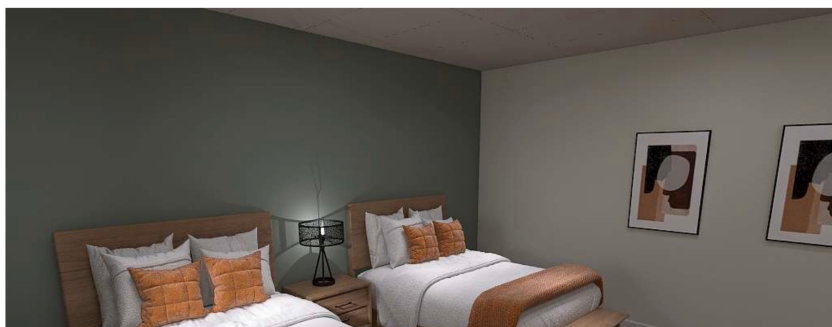

Baudette, MN, August 25th, 2023 - The Walleye Inn, located in the heart of Baudette, MN, is excited to announce a comprehensive interior remodel set to be completed on December 1st, 2023. This undertaking will significantly enhance the guest experience, making the Walleye Inn the premier destination for visitors seeking comfort, convenience, and modern amenities in the Baudette area.

The interior remodel will encompass the entire facility, including guest rooms, common areas, and the lobby. With a focus on creating a contemporary and inviting atmosphere, the remodel will include stylish and functional upgrades throughout the property.

Some key highlights of the anticipated renovations include:

## 1. Guest Rooms:

Inside each guest room, visitors can expect to find modern furnishings, plush bedding, and state-of-the-art amenities for their ultimate comfort. The décor will exude a warm and welcoming ambiance, providing guests with a relaxing retreat during their stay at the Walleye Inn.

## 2. Lobby:

The redesigned lobby will greet guests with a refreshing and modern aesthetic. Equipped with chic furnishings and stylish decor, it will serve as a seamless transition between the outside world and the comforting ambiance within the inn.

"We are thrilled to announce the forthcoming interior remodel of the Walleye Inn," said Paul and Brandi Johnson, Owners at the Walleye Inn. "Our mission has always been to exceed our guests' expectations, and this remodel allows us to enhance their experience even further by providing a more contemporary and comfortable environment. This remodel is in addition to the parking lot and sidewalks that have already been complete."

The Walleye Inn will ensure minimal interruption to guests during the remodeling process, as guest rooms and essential services will remain accessible throughout the renovation period. The management is committed to delivering a seamless and enjoyable experience for all patrons.
